PRESENTATION

National exams are prepared by the European Technical Committee to offer a simplified procedure and a uniform level to all national officials throughout Europe. National examinations remain under the responsibility of the federation, and only the national federation is legitimate to validate or reject the candidate. The proposed exam is merely a tool to assist the federations in this task.

The Technical Committee prepares national exams for the following categories:

National official 3-event	National official 2-event	Compliment test <i>Permits to 2-event become a 3 event official</i>
